

* StoryWalk® Sign Frame Backer Sheets

The ideal backer sheet to attach your laminated StoryWalk pages to. This colorful, thin, durable plastic sheet is available in several colors and can be used over and over again. Just a couple small tabs of double face tape between your laminated page and the backer sheet is enough to hold your page in place when sandwiching them between the sheets of clear acrylic. (note: double face tape not included)

The 17.75x23.75 in. sheet is cut precisely to fit in an 18x24 in. frame unit.

Individual sheet price is \$ 3.75 ea. with a 6 pc. minimum order. Colors can be mixed.

Packing & UPS Standard Ground Shipping not to exceed \$25.00

* "The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Kellogg-Hubbard Library."
